HAPPY CLIENTS

ALEEX LIPSCOMBE -TABLE PLATTERS

“Saskia and her team were like a gift from Heaven — so friendly, professional, and a joy to have at our wedding. They could not have done more to make everything come together so harmoniously. The food was cooked with love, stunningly presented, and even had our meat-eating guests going back for thirds”.

MANOJ PATEL - CANAPÉS & BUFFET STYLE

“Who could believe vegan food could be this good.
Zest catered for my vow renewal after-party in my garden.
The food was so good that it was devoured immediately after it was laid out. Saskia and her team did a wonderful job of looking after all the guests and made sure the kitchen was left just as clean as when they arrived. We will definitely use them again. If I could give 10 stars, I would!"

HUDI CHARIN

CANAPÉS,TABLE SHARING, BUFFET, DESSERTS, LATE NIGHT FOOD

“Saskia, Shereen and the whole team at Zest truly went above and beyond for us. We had a vegan and certified kosher wedding, and Saskia worked tirelessly to ensure every ingredient passed the kosher requirements - whilst also making sure the food maintained the delicious Zest standards! Our venue told us that Saskia was the most organised caterer they had worked with. On the day, the food was served beautifully, and everything went flawlessly. Multiple guests said it was the best vegan food they had tried. Thank you for helping us make our wedding everything we wanted - can't recommend enough!”
